

Rollingwood Subdivision is in the north part of Rock Hill, SC, about one mile north of Celanese Rd (Highway 161) off of Mt Gallant Rd. It is convenient to schools, parks, museums, restaurants, shopping and Interstate 77. Rollingwood is a quiet “neighborhood watch”, family oriented community with a single entrance. We have many neighborhood sponsored events, including an annual yard sale, ice cream socials, yards of the month, holiday lights contest, and holiday party with a visit usually from Santa Claus. We have an active HOA organization. It is one of the few home owners associations in Rock Hill with a website.

Welcome to the Rollingwood Home Owners Association
